Picture

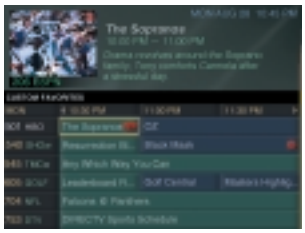
- **Digital-Quality Picture Capability[1]**
  Digital compression technology provides sharper, clearer images for a sensational entertainment experience.

Sound

- **Digital Audio Performance Capability[1]**
  Allows you to enjoy DIRECTV® programming with digital audio performance.
- **Dolby Digital[4] Sound Capability[7]**
  Dolby Digital[4] (when available) provides six independent soundtrack channels through the optical output jack. When connected to an optional, compatible six-channel amplifier/receiver and speakers, this connection provides Dolby Digital[4] Surround Sound.

Convenience

- **Advanced Program Guide™**
  Supports up to 14 days of program listings and full program descriptions. It enables you to use TV on-screen search feature to find your favorite programs to watch or record.



- **Pause Live TV**
  When the munchies strike, don't miss any of the action! During Pause, the receiver continues to receive and store the program so none of it is lost while you're away.

- **Two DIRECTV Satellite Tuners[2] (PIP)**
  Watch one show while recording another, record two shows at once, or watch two shows at once using Picture-In-Picture.

- **My Shows**
  Displays a list of the programs you have scheduled to record as well as previously recorded programs. Also displays TV show reminders one minute before program starts.

- **Web Home**
  Your starting point for using the Internet features of the RCA®-DIRECTV™ Receiver with UltimateTV® service. From here, you can use e-mail, chat rooms, Websites, on-line shopping, news, and other Internet areas.
- **TV Home**
  This screen is the home base for all TV-watching activities. From here, you can go to key features of UltimateTV® service.
- **Search TV**
  If you know what you want to watch—a specific show or type of show—use this feature to search for it by program title or phrase.
- **Digital Video Recording**
  Records up to 35 hours[5] of programming in digital video and Dolby Digital[4] sound capability (when available) on the built-in hard drive.
- **Live TV Controls**
  You can create your own instant replay, jumping back a few seconds and watching the play again and again, as well as freezing the action and watching it in slow motion.

Remote

- **47-Button Master Touch® Universal Remote Control (CRK76WA)**
  – Ergonomic design and color coded buttons provide complete satellite system operation plus primary function control of virtually every brand of remote controllable TV, VCR, DVD and cable box.
  – Simple navigation of digital video recording and Internet.
